

UTAH STATE COURTS

Court users can now access their case information online with MyCase!

MyCase lets people with cases in district court:

- View their case history (a record of what happened in the case)
- View papers filed in the case
- View a list of scheduled hearings
- Make payments
- File documents in an existing debt Collection, eviction, or small Claims case

Available for these types of cases: criminal, debt collection, divorce, eviction, temporary separation, and small claims
